He also enjoyed any and everything that dealt with technology. Computers were his everyday life. Chad had a superior knowledge for computers inside and out. Chad enjoyed being a computer IT representative for the past several years of life. He enjoyed traveling with his friends and had a love for Texas that shown through and through. Sundays were for food and football. He enjoyed playing, watching, and teaching football. One thing Chad did not lack was a group of wonderful people that cared and loved him dearly. He was enjoying his life in Naples Florida for the past few years with his fiancé, Jessica Dorrough.

Your life was a blessing
Your memory a treasure
Your loved beyond words
Your missed beyond measure

If you're wondering
where to find me,
I'll tell you
where I'll be,
I'm in that
inbetween bit,
that space where
sky meets sea,
in the whispers
of the trees
and the edges
of your dreams,
close enough
to almost touch
but slightly out of reach.
I'm in the moon
and in the stars
but never really far,
and always, always
I'm there
inside your heart.
